

Memorandum of Understanding

On 15th of October 2019, a Memorandum of Understanding (MoU) was between **Don Bosco College of Engineering (DBCE)** and **Goa Technology Association (GTA), Ponda - Goa**

GTA was founded in 2017 with the aim of providing a forum for the technology business community in Goa, who share the desire to promote Goa as the IT destination on the world Technology Map. To further achieve its objectives the group organizes trade missions, lectures and social functions.

The purpose of this MoU is to outline how DBCE and GTA will work together to maximise the benefits from its mutual interests in supporting students, student projects, organizing events and offering cross platform opportunities to Students ; bringing in value to the students through the rich network of technology companies who are members of GTA.

The MoU was signed in the presence of Rev. Fr. Kinley D'Cruz, Director (DBCE), Dr. Neena Panandikar, Principal (DBCE) and Asst. Prof. Gaurang Patkar, HOD – Dept. of Computer Engineering (DBCE) along with Mr. Mangirish Salelkar, President at GTA.
